

El Dia De Los Muertos

# Calavera Mask

## Supplies

Cardstock Paper

Black Marker (I used a Sharpie)

Coloring Supplies (Markers, Crayons or Colored Pencils)

Tape (any kind that works well with paper)

Scissors

Dowel (you can also use a pencil, pen or stick)

**Step 1:** Print mask template.

**Step 2:** Draw and Color.

-I drew in a design outline first with a black Sharpie

-Then I colored it in with Color Pencils

**Step 3:** Cut out mask, eye and nose holes. (If you want you can leave in eye and nose pieces for a different look)

**Step 4:** Tape dowel to the back of mask.
